

## Hand Trap and Patterning Board – Rules

### Hand Thrower

1. Always shoot from the designated area
2. Throw target from the provided trap - or - yours Just to the right of it.  
We do not want to have shooting in other directions
3. Use shot 7.5 or smaller 8 9 etc.

### Patterning Board

1. Attached patterning paper to board
2. Shoot at desired distance – markers are being placed in the ground
3. Shot Size: 12 thru T  
Buck Shot and Slugs – must be fired on the **Rifle Range**

**These two use the same area – only one may be used at a time !!**
