IMPORTANT - PLEASE READ **Renewal and Life Members**

Our Newsletter is available on our Web site at www.palmyrasportsmens.com. We would appreciate if our members would access it from there versus mailing it to your home beginning with the November 2010 Newsletter. **Enclosed** in this newsletter we have a renewal notice card that we would like all members to return with their annual membership dues. We are also asking our life members to complete the card so we can update our database and to check the block for life members. There is also a block to check if you do not have access to the internet and would like the newsletter

by mail. If this block is not checked and/or the card is not returned, we will assume you will access the newsletter on our Web site. You will continue to receive Field Day information in August. We would appreciate if all members would either purchase the Field Day raffle tickets for themselves or try to sell them since this is a fundraiser for the club. Thank you in advance for your participation in returning the card and either purchasing and/or selling the raffle tickets.

Your address label has the date that your membership is paid through above your name. For life members it will be 10/9999; all others will be either 10/2010, 10/2011, etc. depending if you have renewed or not. If you have any questions, please contact us.

President's Message

It is my pleasure and distinct honor to welcome the new members from the past three months. I am sure that your experiences at our club will be everything you had hoped they would be. If you should need any help or have questions, please do not hesitate to ask me, Rod or Bruce. We will be more than happy to help in any way possible.

I want to say thank you to Mike Smith, Robert & Elesta Walborn and Jim Hartman for their contribution to the property at 7 Plum Street. We applied your donation directly to the principal and I say thank you very much.

Our forty-seventh annual field day is October 10, 2010 from 10 a.m. to the drawing at 5 p.m. Enclosed are 5 tickets for our field day raffle. I was wondering if I could solicit everyone's help. **Would each member who receives this newsletter and tickets consider selling or buying these 5 tickets?** This would go a long way to help fund three major projects that are going to be considered and implemented in the next few years. I will provide more details on these projects as I have the information available. Please know that they are very important and will require the participation of all the members. So once again, I ask that you either buy your field day tickets or sell them and then bring or send your money back to us along with your renewal dues.

Speaking of the renewal dues, it is my pleasure to also thank each and every member for their continued support of Palmyra Sportsmen. It is our explicit understanding that we cannot maintain our facility and our continued growth without you, the member. Remember that our motto and decision making creed is: **We always do what is best for Palmyra Sportsmen.** It has been my guiding light for the past 26 years and I hope will continue long after I am gone.

In closing, I hope to see everyone at field day and wish you a prosperous last five months of 2010. Please keep in mind that we need to vote in November, as many things in our country are upside down. Please do not hesitate to help a friend or neighbor that needs help. We must stick together as a people and as American's for we have not yet begun to fight.

2010 Palmyra 2-Man Archery Money Shoot

On July 17 some of the best shooters in the Northeast gathered at Palmyra Sportsmen's. There were shooters from 4 states to shoot the best and hardest course of the year. Many shooters come to Palmyra in July to get ready for the IBO World Championship in August. Ninety-five degrees and sunny weather made the challenge of the shoot a bit more difficult. After all was said and done, everybody had a great time, and was very impressed with Palmyra Sportsmen's Association. They say they can't wait to return next year.

A BIG THANKS to ALL who participated in making this shoot a big success! We had many sponsors for this shoot. Klick Lewis Chevrolet sponsored part of the shoot as well as completely sponsoring the Steel Challenge event. A big thanks to them. Please support Klick Lewis as well as all of our other fine sponsors:

BB Gun

The Palmyra BB Gun Team recently competed at the 2010 Daisy National BB Gun Championship Match over the July 4 holiday weekend in Rogers, Arkansas. The 5-member team of Josh Martin, Jerika Feaser, Samantha Heisey, Wyatt Fletcher and Alysa Smith, with Danny Fisher and Maggie Black as the two alternates competed against 43 teams from 18 states. With a goal of placing in the top 10, they finished in 5th place; one point out of 4th and five points out of 3rd.

The team also just missed winning the Educational Award by one question. Jerika, Samantha and Wyatt received Certificates for Perfect Scores on their Educational Tests. In the Individual Awards, Maggie received a Gold Medal in the Standing Position in the Alternate Division. Alysa won a gift certificate in the gun decorating contest.

Along with attending an AA Ball Game, courtesy of Daisy, the kids also received a guided tour through the Daisy Factory and the Daisy Museum.
