President's Message

Thank you to all the members who renewed their dues in the past three months and welcome to the new members from the past three months. Winter is slow to let go this year, but spring is right around the corner and we look forward to seeing everyone at the club.

We are busy preparing for the spring as the 2014 Bunny Blast and our 16th Annual Center Fire Falling Plate Shoot are now finished. The interest in both of these shoots continues to grow and we look forward to seeing all of the competitors again. As the outdoor ranges become busier, we would like to ask you to remember that the ranges do not open until 8 AM and they close at dusk. Please look at the sign when you enter the property and it will tell you exactly what time all the outdoor ranges close. We would appreciate very much if everyone would please pay attention to these rules.

We hosted the NRA Youth Education Summit on April 4. It is always a pleasure to have these young folks at our facility and I would like to thank the 10 PSA members who provided their time and expertise to make this the most enjoyable part of the YES program for the students. We also appreciate Kory Enck's continued support of the program and for allowing us the opportunity to participate!

I would like to invite a minimum of 10 and a maximum of 24 of our members on a Continental Pheasant Hunt in early

November to Martz's Game Farm with me. This is the type of hunt where you go to a station and the birds are released from a fixed position much like the old English hunts. This type of hunt is appropriate for those individuals who do not or cannot walk very far anymore. The package includes a release of 10 birds per hunter, light lunch, bird cleaning and a round of sporting clays. Please call me at the clubhouse if you are interested and we can discuss the details. I look forward to this event for the first time and hope to make it an annual pilgrimage!

In closing, I cannot begin to express my appreciation for all the members at Palmyra Sportsmen's. We are a diversified group of men and women from all walks of life that have the love of shooting or the desire to learn it in our hearts. I can say that each and every one of you is a welcome sight to me when you come to our club. These days our freedoms and our love of this country are challenged on a daily basis. It is always a pleasure to be surrounded by the freedom minded and common sense of our membership and those that are grounded in the principals of our constitution. We can and must continue to be who we are and never forget where we came from! Thank you for being a member of Palmyra Sportsmen and I hope that you always remain one.

Land Fund Pledge

By Skip Klinger

We would like to thank those members who have participated in my request for donations to the Land Fund. We were able to buy the additional 78 acres this past September and now have a total of 243 acres. This was a major accomplishment because we are now assured that no one will be building houses on the property and creating problems for us. Our first notes on the 30 acres will be paid with this year's budget and the second notes for the 78 acres will be paid in the next two years. We will then need to continue our monthly payment for the balance of the terms, which was originally 12 years. I am asking for all our members to consider a tax deductible Land Fund Donation. The sooner we get the bonds paid off the sooner we can go forward with our plans to build an additional **indoor pistol range**. Thank you in advance for your consideration of this very important matter!

Junior Rifle Team-Scrip Fundraising

By Erin Gestl

Now you can help the Junior Rifle Team raise money without buying unwanted items and **with no extra cost to you**. Supporting our organization has never been easier!

How It Works: Scrip refers to gift certificates / gift cards. Our program is able to purchase the same gift cards that you would purchase from merchants nationwide but at a discount. Discounts range from 1-17%. The difference is profit for us. By purchasing these gift cards before you shop for your everyday items - like groceries, gas, clothes, restaurants - we raise money, without you having to spend a penny extra. It's just that simple. Example: You buy a Giant \$100 gift card from us; we purchase it at \$96 (a 4% discount). The Jr. team earns \$4.

How to Participate: We encourage you to take advantage of the wonderful benefits offered by this on-going fundraiser. Simply return the Scrip order form, with your check, to any junior team member, coach, or to the club. If you have questions, please contact Shelley Gestl at (717) 832-3385 or sgestl@comcast.net. **(NOTE: This is a new email address.)** Help us exceed our goals, and thank you in advance for your support! Orders placed by the 5th of each month will be available at that month's club meeting.

Clarification on Family Membership

PSA family membership includes member, spouse and children 16 years and under. Anyone over 16 is required to join the club to continue using the facility.

Members - Display Your Card

Remember to **DISPLAY** your white **permanent** membership card proudly when using any range at the Club. Available in the club house are either PSA Lanyards for \$5.00 or free clips.

Membership Renewals and Changes

REMINDER - You will receive a post card in the mail approximately 60 days before your membership is due for renewal. Please remember to fill out the card, completely. If you gave us an email address and you do not receive a reminder to read the Newsletter, it is probably because your email address does not work or we could not read your writing. **If you do not receive a post card to renew your membership, please use the application in the Newsletter.** If any member has an address, telephone number or email address change, please call the club at 717-832-0488 or email rkmjb@psa1.comcastbiz.net with your changes. All new members must watch the New Member Orientation. If you renew and want a sticker, please stop in the office for one; we are not mailing these out.

Club Policies

- No exploding targets
- No self-sealing cube or square targets
- No “bump” firing or slide fire/”bump” fire stocks

These policies were passed by the membership at a club meeting due to safety concerns. The most important factor is to keep **ALL** shots on the back stop. No rounds can leave the range; keep this in mind when you are using any of the ranges. Please remember that gun safety and range safety is **your responsibility**.
