President's Message

It is mid-October with fall in the air as the color of the season bursts upon us. My mind wanders to the north woods where the Bird Dogs go on point with the scent of Grouse in their nose. The 28 Ga. goes off and the distinctive smell of smoke hangs in the air when the over and under is broken open. The retrieve is a picture of beauty that we are blessed to be a part of.

Welcome to all the new members these past three months and yes I am headed to the north woods to hunt grouse. Hunting season is upon us and I hope you have a great year and please hunt safe. Our 51st annual Field Day is behind us and I want to take a moment to thank everyone who came to Field Day and all the volunteers who made this event possible. You will find the winners on the website or a list on the kitchen counter. Thank you to everyone who bought or sold the Field Day Tickets. This is a total membership effort and could not be accomplished without you! This day has transformed into a community event where the stars are the juniors, excited beyond belief as they participate in seven events, sometimes more than once. It brings back glorious memories as I watch the never ending smiles of the youth, wide eyed and excited to be here!

Let me take a moment to thank all of the volunteers, who made our programs work in 2014. We are a truly diversified organization and it takes a large number of volunteers to

make it all happen. I want you to know that I not only understand that, but appreciate the effort every day. Also, thank you to the officers and Board members who work very diligently with me to help us continue to be one of the leading Sportsmen's Clubs in the nation!

We have several months to go before we close out 2014. However, it looks to me that we will have another very good year. We are in the planning stages for 2015 and hope you will continue to come to Palmyra Sportsmen. Special thanks to Marcus Schneck for his recent article on our Midway USA Foundation success and to Kermit Henning for the interview he so graciously aired about Field Day on his ABC27 Outdoors TV show. We certainly appreciate their interest and kind words.

In closing, I wish to thank all the members that renewed their membership this year and hope that you will continue your membership in 2015. Please stop and say hi to me when you are here or take a few minutes to talk to me about anything you would like to. I always listen and appreciate the input from our membership. I hope everyone has a happy Thanksgiving and a very Merry Christmas. Best wishes for a prosperous New Year and **thank you for being a member of Palmyra Sportsmen!**

Land Fund Pledge

By Skip Klinger

We would like to thank those members who have participated in my request for donations to the Land Fund. We were able to buy the additional 78 acres in September 2013 and now have a total of 243 acres. This was a major accomplishment because we are now assured that no one will be building houses on the property and creating problems for us. Our first notes on the 30 acres will be paid with this year's budget and the second notes for the 78 acres will be paid in the next two years. We will then need to continue our monthly payment for the balance of the terms, which was originally 12 years. I am asking for all our members to consider a tax deductible Land Fund Donation. Thank you in advance for your consideration of this very important matter!

Action Handgun "The Pit" Steel Plate Range

- Absolutely **NO** gun handling when anyone is down range.
- Eye and ear protection are mandatory for all shooters and spectators on the Action Handgun Range/Pit.
- Stand back 10 yards minimum when shooting steel plates to avoid the possibility of being hit by lead and bullet jacket fragments.
- Do not use magnum calibers or their equivalent when shooting steel plates. They damage the mechanisms and plate surfaces.
- Use paper targets when shooting magnum calibers.
- Do not use centerfire rifles, carbines or shotguns. They damage the mechanisms and plate surfaces.
- Do not use handguns that fire centerfire rifle cartridges. They damage the mechanisms and plate surfaces.
- Do not use shotguns on the Action Handgun Range. They damage the mechanisms and plate surfaces.
- Help keep your Action Handgun Range clean. Police your brass and deposit it in the receptacle at the rear of the range marked "BRASS". Do not move targets from their current positions. If you move tables, please return them to where you found them. Trash barrels are provided at the rear of the range. Please make sure all your trash is placed in these barrels when you leave the range.
- Do not move steel targets or backer frames from pit to pit, they are placed in these pits for a specific reason and are not meant to be moved.
- Please note: Targets and wood pieces or any other items that are stored at the rear of the range are not meant to be put on the range and used as targets. The shooting tables are not meant to be used as a place to set cans or any other targets. Remember as a club member you are part owner of the PSA club and any damage you may cause is like taking money out of your own pocket.

BB Gun

By Frank Pulli

Our season for BB Gun runs from January until April unless we are attending the National match in July. This past year was good with the team winning various places in the matches we attended. Looking ahead for 2015 our team looks very promising. First of all we PRE registered some kids at the Field Day at the Club in October. This is one way we recruit new kids to come out for the program. This year's registration for the 10-Lesson Daisy Safety Shooting Program will be December 20, 2014 from 9-11 am at the Palmyra Sportsman's Club. The classes will be held January 2, 7, 9, 14, 16, and 21. During these dates the kids will be instructed through a 10-lesson program on gun safety. Please keep in mind that this course does not take the place of the Hunter Safety Course required to get a hunters license. Toward the end they will be given a written and a shooting test and the kids with the highest scores will go on to become our team which shoots in several BB Gun matches until April. If you have children that aren't interested in being on the team, that's ok. If they want to come out to learn gun safety without trying for the team, that's fine. Teaching our youth gun safety is the main goal.

On January 21 we select our team at Parents Night. This is a night where the kids get to show the parents what they have learned. After that night the team will continue to practice Wednesday and Friday nights until February. Beginning in February, the team practices Wednesday nights and Saturday mornings. This program is FREE to any kids from the ages of 8-15 years of age. All classes are held at the Palmyra Sportsmen's Club. BB Guns and supplies are provided by the team. Next year our Winter Match and the State Shoot will be held in Palmyra. We are looking for a good year next year and hopefully your son or daughter can be part of it. If you have any questions feel free to contact Frank Pulli at pulli1@verizon.net or 717-813-2196.

Winter Youth Archery

By Wendy Garrison

This is a Beginner/just starting out program for children ages 6-17. We run a non-consecutive 8 week, Saturday morning, program that starts in January and ends in March. All equipment is provided. We have 3 class times to choose from 8-9am (shoot from 10 yards), 9-10am (shoot from 10 yards) and 10-11am (shoot from 20 yards). Child must be able to pull back and hold 20 lbs. Please contact Wendy Garrison if interested at butterflywings123@verizon.net or 717-838-1055. Class space is limited and fills up quickly.

Winter Indoor Archery League

By Wendy Garrison

It's time to start thinking about joining the Archery League. Please see the bright orange poster with league booklet (please take one), located in the Archery room and on the Club's bulletin board. The program runs for 10 weeks. All skill levels and equipment styles are welcome to join in the fun.

For more information please contact Wendy Garrison at butterflywings123@verizon.net or 717-838-1055. There is a time limit to join so please act now.

JOAD (Junior Olympic Archery Development)

By Wendy Garrison

We are both pleased and sad to say that the program for this up coming year is full. If you have a son/daughter that would like to shoot, please check out our Winter Youth Program.

Junior Rifle Team-Scrip Fundraising

By Erin Gestl

Now you can help the Junior Rifle Team raise money without buying unwanted items and **with no extra cost to you**. Supporting our organization has never been easier!

How It Works: Scrip refers to gift certificates / gift cards. Our program is able to purchase the same gift cards that you would purchase from merchants nationwide but at a discount. Discounts range from 1-17%. The difference is profit for us. By purchasing these gift cards before you shop for your everyday items - like groceries, gas, clothes, restaurants - we raise money, without you having to spend a penny extra. It's just that simple. Example: You buy a Giant \$100 gift card from us; we purchase it at \$96 (a 4% discount). The Jr. team earns \$4.

How to Participate: We encourage you to take advantage of the wonderful benefits offered by this on-going fundraiser. Simply return the Scrip order form, with your check, to any junior team member, coach, or to the club. If you have questions, please contact Shelley Gestl at 717-832-3385 or sgestl@comcast.net. Help us exceed our goals, and thank you in advance for your support! Orders placed by the 5th of each month will be available at that month's club meeting.

Target Ranges

Do NOT move or readjust targets or frames that are on the shooting ranges. Please leave them where they are set.

We have recently experienced considerable damage to targets, frames and stands that were not PSA's property and they will have to be replaced at the clubs expense.

Use only targets and backers that are provided by Palmyra Sportsmen's Association on any range.

Trap (Clay Bird) Shooting

By Bruce Meyerhoffer

Tuesday evening continues from 4pm to about 7:30pm. All are welcome to shoot practice at clay birds. No league or competition on Tuesdays. Stop out early on Tuesday and get some additional instructions on shooting.

Friends of NRA (FNRA) Banquet

Want to get involved but don't know how to help??? The Friends of NRA is the perfect solution! This group is the non-political arm of the NRA raising money for the youth shooting sports. Spreading the love of shooting on to our children is the only way to ensure these sports are passed down to the younger generations. The Friends of NRA grants benefit programs such as youth education, hunter education, conservation, firearms and marksmanship training and safety, and much more.

Our big fundraiser is a banquet on Sunday, May 3, 2015. It is an evening of games, raffles, silent and live auctions, food and fellowship!

We are looking for volunteers for our committee to assist with planning, fliers/mailings and donations.

If you have any questions or would like to volunteer, please call Valerie Angeli at 717-534-2287.

Club Policies

- No exploding targets
- No self-sealing cube or square targets
- No "bump" firing or slide fire/"bump" fire stocks

These policies were passed by the membership at a club meeting due to safety concerns. The most important factor is to keep **ALL** shots on the back stop. No rounds can leave the range; keep this in mind when you are using any of the ranges. Please remember that gun safety and range safety is **your responsibility**.
