President’s Message

The days of winter lay before us and I am dreaming of the coming grouse, woodcock and pheasant hunting. I hope you are also excited about the coming change of seasons when the woods turn into brilliant colors for our eyes to see. Welcome to all the new members this past three months and we hope to see you at the club.

By the time you read this our 52nd Annual Field Day will be history. I want to thank everyone who bought tickets, came to our Field Day and to those that helped make it a great day by volunteering to help run the show. It takes everyone pulling in the same direction to make that day a success and I appreciate it from the bottom of my heart!

I expect 2016 to be another good year and I would like to engage you, our members in two ways. First, if you would like to volunteer some time to help us, those efforts, regardless of the amount of time, are always appreciated. Sometimes, the little things go a long way and it doesn’t have to be hours upon hours. The best way to let me know if and when you are available and willing to help is to email or call me and I will put you on my volunteer list. Second, I would like to engage all members in a membership drive and ask you to bring a friend to the club to show them our outstanding facility. We will call this our “each one reach one” campaign in 2016.

In closing, I will remind you that the 2016 NRA Great American Outdoor Show in Harrisburg is from February 6 to 14. This will be our third year that we will have a booth at the show. I need volunteers to help us run our booth. Anyone that is interested, please give me a call and I will be glad to share the details with you. I hope everyone has a very Happy Thanksgiving and a very Merry Christmas. I wish to thank everyone for being a member of Palmyra Sportsmen and we appreciate your support!

Junior Rifle Team
By Erin Gestl

The Junior Rifle Team had a busy summer competing at numerous local matches, 1 State Championship, 3 National Championships, and an International Competition. During our annual Mid-Atlantic Prone 6400, which is a 4-day prone match hosted by our club, we had the highest level of competitors in the 21-year history of the match. The conditions were terrific with 4 people dropping 1 point or less. The winner of the match was one of our own junior team coaches, Steve Angeli firing a perfect 6400, only the third 6400 in the history of the sport. The last one was fired in 1971. To make this more impressive, although optical scopes are allowed for the last two days, Steve fired this score with all iron or open sights.

Shortly, after our prone match a group of 5 juniors, Grace Nelson, Karly Potts, Alexa Potts, Erika Laws, and Kyle Ordille, went to the CMP 3-position air rifle Nationals in Anniston, Alabama. The competition went fine with several people firing personal bests and the team finishing in the top third of the field. While at the match, the team members also had a training session at the new CMP outdoor range facility at Talladega to help prepare them for the next match, the USA Shooting Championships, which was just 2 hours away at Ft. Benning, Georgia. In Georgia, the team members were joined with Luke Johnson and Megan Waidelich and competed in the following events, smallbore (.22) prone, smallbore position, and air rifle standing. Personal bests were fired by all of our team members in at least one event. Kyle ended up winning a class award in the Men’s 3-position event. In the same event, Luke won the Junior title, which earned him a spot on the Junior National Team for the upcoming year. This will give Luke additional opportunities for training and possible international competitions. In addition to competing at the championships, many of our team members are high school seniors and had the opportunity to interact with team members from various collegiate programs from Alaska, Kentucky, Memphis, University of North Carolina, and Morehead State

In July, a team of 6 juniors attended the NRA National Championships in Bristol, Indiana. The team members included Lisa Crum, Mica Harr, Michelle Kurtz, Alex Schrecengost, David Sheffey, and Evan Laws. Competing at the NRA Nationals has been a tradition for the Palmyra team since 1998 and has continued with personal bests by several of the team members, Lisa, Mica and Alex. This was also the first year at the nationals for Mica, Michelle, and Evan. The team members also met team alumnus and Olympic Gold medalist, Jamie Corkish (Beyerle). At the end of July we held a 3-day minicamp at the club, where the juniors trained about 6 hours a day in part to prepare for those traveling to England to compete in a Junior International match. Alyssa Gestl, a junior team alumnus, was also there to help coach the team. In addition to the live firing, the team also learned about wind reading and other training techniques. The minicamp also served as a team building experience. Several days later, 7 of the Palmyra team and 3 others that train with the team left for Bisley, England. The team members included Alexa, Karly, Lisa, Erika, Grace, Megan, David, Alex Gestl, Tony Jackson, and William Dixon. We arrived several days early to overcome jetlag and do some sight-seeing. We had spent two days in London seeing sights such as Buckingham Palace, Westminster Abby, the London Eye, and Churchill’s War room. In addition, we attended the 500th year anniversary of Hampton Court, another Royal palace. The competitions went well with several highlights including Tony Jackson winning the Men’s Smallbore 3-position event and Alexa Potts receiving the Bronze in the Women’s event. In the team events, medals were won in 3-position air rifle, women’s prone, and men’s smallbore position. In the men’s prone event, the team of Alex, Tony, and William won the Gold and in the process set a new tournament record beating the old one by over 10 points.

The summer ended with some of the juniors heading back to colleges. Those are Cullen Wargo attending the University of
North Carolina as a freshman, Luke Johnson going back to the University of Alaska at Fairbanks, and Alex, Alyssa, and Josh Martin returning to the US Military Academy. Also, because of his performance at the Junior Olympics in April, Josh Martin was named to the National Junior Team, making two members of the Palmyra team that are currently on this team. Our prone state championship was held in September at the Seitzland club and we had a good contingent of about 10 juniors at the match including two adults. The State Championship went to coach Erin Gestl with a score of 3195 while Steve Angeli won the Senior Any Sight aggregate. September also marked the junior program’s 22nd year. We are planning a Palmyra Junior Rifle team alumni match at the club on the Saturday after Thanksgiving, November 28. If you are interested in any information about this event, please contact Erin Gestl. This season started with at least 12 new juniors which filled the program to capacity. If you have any questions about the junior rifle team, please contact Erin Gestl at 832-3385 or Byron Light at 838-9437. You can also “Like” us on Facebook; just search for “Palmyra Junior Rifle Team.”

**Junior Rifle Team Fundraising**

The Junior Rifle team is currently doing two fundraisers. The first is a raffle for a .223 M4 rifle. The rifle has the PSA logo and American flag laser etched on the side of the stock and will be drawn at the end of the November club meeting. Tickets are available from any junior rifle team member or at the club office. The funds from the raffle will go towards the electronic targets used for competitions and its integration and upgrades. The second one is partnered with Texas Roadhouse. Texas Roadhouse over the past few years has donated salads for our spaghetti dinner and our 4-day prone match, which helps our program with these events. So it’s time that we help them out by selling the gift cards and the junior rifle team will get a part of each of the sales. Gift cards are available in any dollar amount from $5 to $100 and would be a great gift for the upcoming Holidays.

**Target Ranges**

Do **NOT** move or readjust targets or frames that are on the shooting ranges. Please leave them where they are set.
