FIELD DAY WILL BE HELD THE 3RD SUNDAY INSTEAD OF THE 2ND SUNDAY IN OCTOBER. THE DATE IS SUNDAY, OCTOBER 15, 2017.

ATTENTION HUNTERS Hunting on Club Property

The Hunting Committee has developed new rules for hunting on the club property. In order to hunt on club property, it is **mandatory** to attend one of the scheduled hunting meetings. The meetings are:

- Sat., Aug. 12 at 9am in the George Weaver Room
- Sun., Aug. 27 at 2pm in the George Weaver Room

Please register for one of the meetings by calling 717-838-1055 (Scott Garrison) or by emailing butterflywings123@verizon.net.

There will be limited use of firearms for hunting on the property.

MidwayUSA Foundation Donations

You can support our Junior Programs by donating to the MidwayUSA Foundation. Give your dollars more power - your donation is matched 2:1 as of now. This means, for example, for every \$10 donated, our

endowment will increase by \$30. Palmyra Sportsmen's has an endowment account with the Midway Foundation. Just go to our website at www.palmyrasportsmens.com and approximately in the middle of the front page is the MidwayUSA information, click on the MidwayUSA Foundation and this will take you into the site where you can donate. It is already populated for Palmyra Sportsmen's Association. We would appreciate your donation to support our Junior Programs. Thank you.

Target Ranges

Do NOT move or readjust targets or frames that are on the shooting ranges. Please leave them where they are set.

We have recently experienced considerable damage to targets, frames and stands that were not PSA's property and they will have to be replaced at the clubs expense.

Use only targets and backers that are provided by Palmyra Sportsmen's Association on any range.

President's Message

It is hard to believe that half of 2017 is now in the history books. Our thoughts for some of us will turn to the fall hunting and for the rest of us to indoor shooting and indoor programs. Welcome to all the new members the past three months and please feel free to stop by the club and say "hi" when you are on the grounds.

Please be aware that we will be putting a new backstop in the indoor smallbore range. This range will close on July 28 and will remain closed through August. I would like to thank Rod Beyerle and Byron Light for their dedicated effort to build the bullet bunkers. Their expertise and willingness to work hard for the past month and the next month, allowed us to accomplish this much needed retrofit at a great savings. Gentlemen, thank you from the bottom of my heart!

Field day will be October 15, 2017, so put that date on your calendar. Due to the fact that I need to be in Missouri, at the MidwayUSA Foundation meeting the first week of October, we decided to move this year's Field Day from the second Sunday to the third Sunday!

Please watch for the separate mailing that will have all the Field Day information in it, including the five raffle tickets.

I would like to ask every member who receives these tickets to make selling or buying those five tickets a priority. This is our only raffle and fundraiser of the year and I would certainly appreciate everyone's help. If everyone does a little, no one needs to do a lot!

In closing, I would like to wish that all our members enjoy the balance of this summer and hope that you look forward to the fall. It probably is the most favorite time of my year. I look forward to cooler weather, colorful leaves and Cooper on point. This leads to the eventual explosion of wings from the Pheasant, Grouse or Woodcock as they try to escape the well placed shot of my 28 Ga. Well, most of the time!

Land Fund Pledge

By Skip Klinger

We would like to thank all the members who participated in donations to the Land Fund. Due to your generosity and focus on making PSA a better facility we now have the first bonds paid and we are working on getting the other \$50,000 paid off this year. Please consider continuing your tax deductible donation this year or contributing for the first time. As always, we appreciate everyone's participation!

Please return your pledge and check to PSA at PO Box 142, Palmyra, PA 17078 as soon as possible or drop it off at the club house. If you have questions, I will be glad to answer them. Please call me at the club at 717-832-0488. Thank you in advance to your prompt attention to this very important matter.

Club Policies

- No exploding targets
- No self-sealing cube or square targets
- No "bump" firing or slide fire/"bump" fire stocks

These policies were passed by the membership at a club meeting due to safety concerns. The most important factor is to keep **ALL** shots on the back stop. No rounds can leave the range; keep this in mind when you are using any of the ranges. Please remember that gun safety and range safety is **your responsibility**.
