Friends of NRA (FNRA) Banquet
By Val Angeli

The Friends of NRA banquet will be on Sunday, April 9, 2017. Through the hard work of our volunteers and generous support from attendees such as you, the NRA foundation has been able to provide critical funding to firearm safety and education programs on the local, state, and national levels. Local programs received grants like our own Palmyra Sportsmen's Association Junior Rifle and Pistol programs, Harrisburg Hunters and Anglers Association Junior Air Rifle, the Ned Smith Center for Nature and Art in Harrisburg, the PA Scholastic Clay Target Program, and the PSU/Dauphin County 4-H Archery and Shotgun programs, among many others.

We would like to invite each and every one of you to attend this fun-filled event and assist us in selling tickets! Please contact Val Angeli at 717-534-2287 for questions or to volunteer.

President's Message

The wrath of winter is about to descend on us as I pen these words. The good news is that it is almost February and the days grow longer as we speed our way to spring. The new member activity has increased again and I want to welcome all our new members from the past three months. Please join me in welcoming the new members. If you see a new face on a range, please introduce yourself and get to know them. We all need to stick together because 2017 will be a turning point in history.

The NRA Outdoor Sports show is February 4-12. Please stop by our booth 251 to see us. We will be selling gun tickets for our Eastern PA PSA/Midway Endowment program. For those of you who are not familiar with this program, this is our fund with the Midway Foundation that provides us with a yearly income to help offset the cost of our nine junior programs. Please consider supporting this program by buying a gun ticket. Below is a copy of both tickets. Please email, call me or stop by my office, if you are interested in helping to support the continued growth in our junior programs. I will also need some help during the week at the Sports Show. If you are available and willing, please call me and thank you!

2016 was another great year and I see no reason that 2017 should not allow us to move forward. I would be remiss if I did not thank the numerous volunteers who continue to give their time and effort. It is truly

remarkable to see how this whole plan continues to move forward and that is only made possible by our members and volunteers. From me to all of our members and volunteers in 2016 I say thank you from the bottom of my heart.

I hope that all the members will renew their membership in 2017 and I wish to say thank you for being a member of one of the finest Sportsmen's clubs in the country. I look forward to seeing you at the club this year and please stop by my office and say hi!

In closing, I have an offer for a unique individual. I have in our possession a SKB 28 ga. side by side competition. They were specially made for The Midway Foundation and Larry Potterfield. Here is the deal! A donation of \$5,000 will get you one of these guns, of which a portion of that is tax deductible. Palmyra Sportsmen will send that 5K to our Junior Endowment Account at the Midway foundation. Now the magic begins; PSA will add \$1,000 from their matching funds and Larry Potterfield will add \$10,000 of his matching funds. This means that the total deposit to the PSA Endowment Account would be \$16,000 and that would produce an additional \$800 in yearly income FOREVER! Please call me if the idea of increasing our junior funding or the purchase of a fine shotgun is your dream too!

- Do not use magnum calibers or their equivalent when shooting steel plates. They damage the mechanisms and plate surfaces.
- Use paper targets when shooting magnum calibers.
- Do not use centerfire rifles, carbines or shotguns. They damage the mechanisms and plate surfaces.
- Do not use handguns that fire centerfire rifle cartridges. They damage the mechanisms and plate surfaces.
- Do not use shotguns on the Action Handgun Range. They damage the mechanisms and plate surfaces.
- Help keep your Action Handgun Range clean. Police your brass and deposit it in the receptacle at the rear of the range marked “BRASS”. Do not move targets from their current positions. If you move tables, please return them to where you found them. Trash barrels are provided at the rear of the range. 3-D Shoots

By Dick Wallace

Wednesday night 3-D shoots will begin on April 12 and run through September 20 starting at 4pm.

We need volunteers to set up and take down courses every week. Setup could be done over a weekend or a day or two before the shoot. Please see sign-up sheet on bulletin board in the club house. Without volunteers we cannot run these shoots! Please help!

Club Policies

- No exploding targets
- No self-sealing cube or square targets
- No "bump" firing or slide fire/"bump" fire stocks

These policies were passed by the membership at a club meeting due to safety concerns. The most important factor is to keep **ALL** shots on the back stop. No rounds can leave the range; keep this in mind when you are using any of the ranges. Please remember that gun safety and range safety is **your responsibility**.

Target Ranges

Do **NOT** move or readjust targets or frames that are on the shooting ranges. Please leave them where they are set.

We have recently experienced considerable damage to targets, frames and stands that were not PSA's property and they will have to be replaced at the clubs expense.

Use only targets and backers that are provided by Palmyra Sportsmen's Association on any range.

Membership Renewals and Changes

REMINDER - You will receive a post card in the mail approximately 60 days before your membership is due for renewal. Please fill out the card completely whether you have a change of address or not. If you do not receive a post card to renew your membership, please use the application in the Newsletter or on the Website. If you renew and want a sticker, please stop in the office for one; we are not mailing these out.

We have some Life and regular members who have evidently moved and have not provided us with a new address. If any member has an address, telephone number or email address change, please call the club at 717-832-0488 or email rkmjb@psa1.comcastbiz.net with your changes. Also, if you were informed to stop in the office with your membership card to have the front replaced, please do so as soon as possible. Call before you come. Thank you.
