### Youth Trap

By Terry Zeller

I hope everyone had a Merry Christmas and best wishes for a Happy New Year. Along with the new year comes the new youth trap shooting season. This year we will start our new season with a meeting in the George Weaver Room on March 11, 2019 at 5pm for new shooters and 6pm for our returning shooters. We will not shoot on this evening. Shooting will start the following Monday, March 18, 2019 from 5pm-7pm.

Things to keep in mind: make sure your ATA dues are up to date and you have your cards. Apply for new cards if yours have been lost or misplaced. These dates need to be kept in mind:

- May 11, 2019 for some of us to go to Glen Rock for the Pen-Mar Shoot,
- June 8, 2019 for Elysburg for doubles, and
- June 9, 2019 for the AIM State Shoot at Elysburg.

If you have questions, you can call Terry Zeller at 717-652-7489 or Doris Shyda at 717-507-0609. Please leave a message. Hope to see everyone in March.

CHANGING THE FUTURE OF  
YOUTH SHOOTING SPORTS

### Midway USA Foundation

Larry & Brenda Potterfield, owners of Midway USA, decided to give back in a big way.

They created a foundation with a goal of promoting youth shooting by providing perpetual funding. Teams (Like Palmyra Sportsmen's Assoc. - PSA) have an endowment with the foundation.

PSA can never touch the money that is in the endowment – but we can get up to 5% of the earnings each year.

We started our endowment with the Midway Foundation about 5 years ago with approx. \$30,000.

#### The Potterfields support the foundation/programs in many ways

1. They provide matching money for our donated funds – When we deposit money in our endowment – the Potterfields will match it (The amount of the match varies by year and by how many other teams deposit)

\*\* In 2019 the Potterfields have committed \$120,000 per month in matching. \*\*

2. The Potterfields are also currently guaranteeing a minimum return of 5% on the endowment accounts. This allows us to get that money out to support our junior programs.

3. The Midway Foundation provides fundraising products at no charge (examples: Guns, Binoculars, Knives, etc.)

Along with these products, they supply us with funding goals and minimum amounts for each product that they expect to be put into our endowment. We have been running raffles with these products in order to raise money to fund our endowment.

#### Palmyra Sportsmen's Current Status

- The PSA endowment is currently at approx. \$421,000
- We can receive a payment each year for 5% of the value around \$20,000 for 2019
- We have received payments from our endowment totaling \$69,700 -- much more than we have put into it.

\*Our involvement with the Potterfields and the Midway USA Foundation is having a tremendous impact on our financial health and future health.

\*\*In fact, the total PSA expense on youth programs is roughly \$86,000 per year (it grows every year) – and our long-term goal is to have our endowment completely fund our youth programs.

#### What can you do to support our growth?

1. When our raffle tickets come out – buy one and sell one to a friend (or more)
2. Make direct donations to our team (On our home page)  
<https://www.midwayusafoundation.org/team-profile/?id=R66562>
3. Support the people who support us – MidwayUSA [www.midwayusa.com](http://www.midwayusa.com)

\*\*\*\*\*

### MidwayUSA Foundation Donations

You can support our Junior Programs by donating to the MidwayUSA Foundation. Give your dollars more power - your donation is matched. Palmyra Sportsmen's has an endowment account with the Midway Foundation. Just go to our website at [www.palmyrasportsmens.com](http://www.palmyrasportsmens.com) and about in the middle of the front page is the MidwayUSA information, click on the MidwayUSA Foundation and this will take you into the site where you can donate. It is already populated for Palmyra Sportsmen's Association. We would appreciate your donation to support our Junior Programs. Thank you.

### **Membership Renewals and Changes** **(LIFE MEMBERS - see NOTE below)**

REMINDER - You will receive a post card in the mail approximately 60 days before your membership is due for renewal. Please fill out the card completely whether you have a change of address or not. If you do not receive a post card to renew your membership, please use the application in the Newsletter or on the Website. We are no longer handing out stickers when you renew.

Also beginning in March, we will no longer be putting expiration dates on the membership cards. When it is time for renewal, you will receive a postcard with your renewal date above your name. If you do not receive a postcard when you think your membership is due, please email us at [karenbeyerle7@gmail.com](mailto:karenbeyerle7@gmail.com) or give us a call 717-832-0488 and we will let you know when it is due. When you become a new member, we will let you know your due date on one of the papers in the envelope you receive with your new card.

**NOTE: If you are a LIFE MEMBER and your card does not say LIFE MEMBERSHIP on it, please let us know and stop in the office with your card to have it added.**

We still have some Life and regular members who have evidently moved and have not provided us with a new address. If any member has an address, telephone number or email address change, please call the club at 717-832-0488 or email [karenbeyerle7@gmail.com](mailto:karenbeyerle7@gmail.com) with your changes. Also, if you were informed to stop in the office with your membership card to have the front replaced, please do so as soon as possible. Call before you come. Thank you.

### **Club Policies**

- No exploding targets
- No self-sealing cube or square targets
- No "bump" firing or slide fire/"bump" fire stocks

These policies were passed by the membership at a club meeting due to safety concerns. The most important factor is to keep **ALL** shots on the back stop. No rounds can leave the range; keep this in mind when you are using any of the ranges. Please remember that gun safety and range safety is **your responsibility**.

### **Target Ranges**

Do **NOT** move or readjust targets or frames that are on the shooting ranges. Please leave them where they are set.

We have recently experienced considerable damage to targets, frames and stands that were not PSA's property and they will have to be replaced at the clubs expense.

Use only targets and backers that are provided by Palmyra Sportsmen's Association on any range.

### **Sporting Clays - Bunny Blast**

The Annual Easter Weekend Bunny Blast will be held April 19 and 20 on the Sporting Clays Range from 8am to 2pm.
