

Winchester/NRA Qualification, and USA Shooting's PPP
(Progressive Position Pistol) Program
At Palmyra Sportsmen's Association
www.palmyrasportsmens.com
Ages 10 to 20

This is an individualized program that is held from October Thru March, Thursdays 7pm to 9pm on the indoor pistol range downstairs.

Athletes should try to make every night that they can, progress is faster if they are there every week.

The club has air pistols available if the athlete does not have one of their own.

There is a once a season fee of \$40 to cover consumables (pellets and targets).

The program is based on a combination of the Winchester/NRA Qualification program, and USA Shooting's Progressive Position Pistol (PPP) program.

The positions range from seated supported on sand bags, to the final standing off-hand position.

[Winchester/NRA Marksmanship Program](#)

Safety is always first and foremost, then we work through the shooting fundamentals. Our ultimate goal in this course, is to produce an athlete who can compete with our team in various events. These events cost extra. If the athlete decides that they do not want to compete, that is fine. We will take them as far as they want to go. Competition is not for everyone, but it is a lot of fun.

We supply everything you need. All we need are some athletes willing to try a sport you can enjoy for life.

At this time we have three coaches, Head Coach Jeff Lutz, Assistant Coaches Sam Shenk and Troy Sturup.

We have a number of parents that help, and we encourage parents to be as involved as they want. We will show those who would like to help, anything from scoring, to running the line, or helping coach their athlete.

As always Safety is first and foremost, and yes we do know how to have fun.
Come on out and see what it's all about!

If interested please contact.
