.....

Room rates vary. 10% off at one hotel may be better than 15% at another. And it may flip flop with different times of year. Suggest you check prices and compare with others in your group. Check websites as some hotels offer much more amenities than others.

To be sure there are many other hotels in our general area. Just do a google search for Palmyra PA and you will find plenty. With Hershey Park at our back door the hotels are extra busy in summer and major events so booking well ahead of time is a good idea. You will need to call the actual hotel to ask for our special Palmyra Sportsmen's rates.
